Would you like to become a Sponsor for Schools Tennis?

Every year our numbers have been increasing and this year is no different and we now have almost 80 teams competing in the Leinster Tennis Primary Schools League. Due to this considerable increase in participation changes have been made to accommodate numbers by introducing a Premier Division and a Division 3 for both Boys and Girls.

We are now looking for any interested party to sponsor Cups for these events, 4 in all (Boys & Girls Premier and Boys and Girls Division 3). The cost per cup will be about €300. If interested please email info@leinstertennis.ie for any further details or alternatively make contact with the office on 01 8844010

'Mini and Midi Blitz Days'

This initiative is in its trial stages whereby children will compete on a team, and play Mini or Midi tennis plus Mini Soccer and Tag Ball over the course of an afternoon. This is a low-key organised competition to give children of this age group an opportunity to compete and test their skills against their counterparts from other clubs. The provision of such could greatly enhance the enjoyment and motivation of young players, thereby influencing their retention in the sport.

If you would like to find out when the next Blitz in your area is on or would like any further information for your Club to host this exciting new programme please contact:
